2. Request received from students for summer internship in non core companies

The faculty board deliberated and agreed to have no objection even if students opt to join non core companies for summer training.

3. Proposal for starting a Virtual Research Group called 'DAILAB' submitted by Dr. D. Sundar

The Faculty Board considered the proposal received from Dr. D. Sundar for starting the Virtual Research Group called 'DAILAB'. Considering the steady interaction between the Department and AIST Japan for the past five years, the board approved the proposal for DAILAB and identified the Molecular Modeling Lab (I-232) for conducting its activities. The Board recommended that the Department should request an additional space of ~1000 sq ft to the Institute to expand the activities of DAILAB in the future.

4. Proposal for the course BEV330 "Special module in Biochemical Engineering and Biotechnology"

Special module in Biochemical Engineering and Biotechnology to be taught by Prof. David Graham from New Castle University during his visit to IIT Delhi has been approved.

5. Any other item

Dr. Shilpi Sharma informed the board that three students would like to appear in the written comprehensive examination. It was decided to hold the exam in the mid of september 2015.

The meeting ended with a vote of thanks to the Chair.
